

From "SUMO GIRL"

SFX: Elastic Bouncing of Sumo Girl's Plastron Suit
SFX: Running Feet

KEI

Hey! Will you slow down a little?

SFX: Bouncing comes to sudden stop

SFX: Running Feet come stop

SFX: Body bounces off Plastron suit

KEI

UMMMPH!!

Hojo Gozen (aka "Sumo Girl") is irritated.

HOJO

Why are you still following me?

KEI

Because I told you I'd get you to
the building.

HOJO

I'm here. You can go now.

KEI

You can't just walk in there and
ask where they're holding your dad
hostage.

HOJO

Why not?

KEI

Because they're Yakuza! And this is
their headquarters! They'll kill
you!!

HOJO

They can't kill me in this bubble.

KEI

Then they'll kill your father!

HOJO

Then I'll kill them!

KEI

I thought you wanted to save your
father.

HOJO

I do.

KEI

Then we have to figure something else out.

HOJO

You mean *I* have to figure something else out. Why are you even here?

KEI

I thought you needed help.

HOJO

I did. To get here. I'm here. Now, you can go.

KEI

What if I don't want to go? What if I just want to hang out here?

HOJO

Then you're stupid.

KEI

Actually, I'm a genius! I followed you because I knew you didn't have a plan and I didn't want you to get your father killed because...because...

(beat)

...because the Yakuza killed *my* parents.

(long beat)

HOJO

Okay.

KEI

Okay what?!?

HOJO

You can come.
