VICUS

It's coming right toward us! I thought
we were HOURS away from contact!

DIEM

We were! Battle stations!

VICUS

Buckle up, everyone! How long do I
hold fire? The nucleus -- It's just .
. . a box. A rectangle! It's like an
ice version of the thing from 2001!

VOX

What happened in 2001?

VICUS

Not the year, the movie, Vox.

VOX

What movie?

VICUS

Only one of the most famous movies of
all ti-- You're playing with us,
right?

DIEM

Cut the chatter everyone!

VICUS

It's playin' chicken! How long to I
hold my fire! I've got lasers and
missiles both ready to go. It's still
coming right toward us!

DIEM

Fire!

VICUS

Missiles away!!!
